 - What does this teach us about God?
 - What does this teach us about people?
- What one truth can you apply from what we've looked at today?

LIFE GROUP

HELPFUL TIPS!

- This is not a race. Take time to listen to the group, ask follow-up questions, unpack Scripture, and really engage with one another and the questions.
- You are not confined to the questions given. Ask follow-up or different questions to help the group think more deeply and make the lessons more personal.
- It's okay to say "I don't know."
- It's okay to allow for pauses (~ 7 sec)
- It's good to keep your involvement to a min. for optimal learning. You are the discussion facilitator, not the discussion dominator.
- Be sensitive to people's past and level of spiritual maturity.
- Feel free to rephrase a question, but keep it simple (1-2 sentences, only one question)
