

# AO & Trinity Application Process

**Our team will help you from end to end!**

- **Touring the House:** You are always welcome and encouraged to visit the House. We want to do all we can to help you make an informed and wise decision regarding your interest in living at the House. To arrange a time to visit, simply contact instagram or email: [info@ccfeugene.com](mailto:info@ccfeugene.com), or just knock on the door. Family and friends are always welcome too.
- **Getting to Know the House:** AO and Trinity are both a part of CCF, the college ministry of First Baptist Church of Eugene. If you are in Eugene but not a resident, we encourage you to come and enjoy the community, there are bible studies, retreats, events, and a weekly worship night on Thursdays >> [ccfeugene.com](http://ccfeugene.com)
- **Applying to the House:** Applications are online at [fbceugene.com/college](http://fbceugene.com/college) Apply at anytime, most interviews don't happen until Spring when we know how many spots are coming open for Fall. Applying sooner helps to secure higher seniority and can help secure a spot.
- **Interviewing Applicants:** Interviews will mostly take place in person during Applicant's Weekend or at an arranged time for your convenience in the Spring. You will be contacted by the House Management for an interview. The purpose of the interview is to help us get to know you better and to help you get to know us better. During the interview, we will also highlight the foundation of the House and answer any questions
- **Official Acceptance:** If you are accepted into the House, you will be contacted and sent an official letter of acceptance, a House Contract, and a House Commitment Agreement. You will be asked to carefully read these documents. The House Contract is a binding rental agreement. Once these are signed and returned to FBC, along with the \$300 deposit, your spot will be official.
- **Welcome Packet and Move-In:** In August we mail out an official packet detailing everything you should need to know about moving-in, the house leadership, the house retreat, and what to pack. Many of these things can be found elsewhere, but we package it all together. New resident move-in day is typical on Saturday, one whole week before classes start.

**EXCITED FOR YOU TO JOIN US!**
